

Reaching the end of winter season, the Kapa crew is gearing up for a very busy spring and getting ready for this year's Winter Music Conference in Miami.

Christos Kedras is putting finishing touches on his new single, expected to make some noise at the Miami WMC. Remixes by Richard Earnshaw, Random Soul, and Kapa teammates Martin & Theo.

Martin East is working on multiple fronts, preparing his new single, as well as working extensively in collaboration with Kapa resident Theo Zanos for some knocking future releases. Martin is recently overseas visiting London and is expected to rock his hometown with special live appearances.

2009 finds Kapa in a very creative phase and soon your favorite label will be making waves once again in the house music scene.
